

## Charitable Gifting Through Merchant Services

Elevate your charitable gifting with no impact to your bottom line

The immediate goal for the Charitable Gifting through Merchant Services (CGMS) Program is simply to help provide desperately needed funds to the TOHS Baseball Program.

In a recessionary economy with families and individual donors often stretched thin, it becomes more and more difficult for schools to obtain the funds necessary to operate and develop successful programs.

Did you know that every time that a business accepts a credit card from a customer; a sales representative gets paid a commission? In most cases this commission is 50% of net fees. With Viking's CGMS program they will match your current credit card rates and fees penny for penny but re-direct the funds that are generally paid as a commission every month to TOHS Baseball. This passive charitable donation will continue as long as you continue to process with Viking. It's that simple.

1. We will match your current processing rates.
2. 50% of net fees will come back to TOHS Baseball.
3. TOHS Baseball will receive a perpetual donation monthly.
4. The Business Will Process With The Largest Banks in the World.
5. The Business Will Receive Free 24 Hour Customer Service.
6. ZERO cost "Cause Marketing" benefits for the business.
7. Viking will NEVER raise their rates.
8. All with No Reduction of Services and Benefits.

*"Thousand Oaks High School Baseball is excited to offer the CGMS Program to help raise the capital needed to build our very own "Field of Dreams". It is my goal to provide the boys with the best high school baseball experience I can. You can help accomplish this. If you own a business that uses merchant services, or know someone who does, call the number below and help us build our "Field of Dreams".*

*Ryan Geisler - TOHS Baseball Head Coach*
